To everyone at the Kelly Miller Circus & Mr. North

The Middleboro Lions would like to express their appreciation for an event well done. I personally have planned four circus events for fund raisers with other another Lions Clubs and never before has anyone of them gone this smooth. From the people in the front office and advertising to the performers and workers on the road everyone was so upbeat and very helpful with any miscues we had.

The day of the event the inspections went well and the annual inspector could not help but comment on how well kept the animals were and how attentive the caregivers were to their every need. All the inspectors had nothing but good words to say to us about the overall appearance and the care taken to see that every detail was taken care of. Also Mr Lessard our booking agent was not only helpful with circus related issues but with other intricate details and the permit process in town and helping with advertising.

But I do believe that one of the best barometers we have as to how good the event was is the many people who have approached Lion members and spoke about how great the circus was and if we were having you back. I believe many fond memories were revisited and many new ones formed and the Lions of Middleborough very fortunate in being able to touch the hearts of so many in the community.

When the Kelly Miller Circus decides to tour this way again please by all means give us an opportunity to help the community relive these great memories once again

WE SERVE  
Thank You

Arthur L. Westgate
