Kelly Miller Circus
P.O.Box 29
1713 E. Kirk Rd
Hugo, Oklahoma 74743

To Whom It May Concern:

I would like to thank The Kelly Miller Circus for giving the City of Scottville the opportunity to join in their entertainment and fundraising efforts.

As the Recreation Director, I had a very enjoyable experience working with your staff and appreciate all of their assistance in the process of preparing for their arrival. I was so impressed with how your staff stayed on top of everything and guided me through the process.

In some discussion with your staff I have become aware of some changes that may occur next year in order to help boost presale tickets and I think that is a great idea. I continue to experience the amazing support that your staff gives to their sponsor. Your staff is so pleasant and helpful at all times I have really enjoyed working with all of them. You truly have a great group of people representing your organization. In my opinion your organization has gone above and beyond to accommodate a group from our local senior center and that means a lot to our area. That flexibility reveals your values towards your sponsored communities.

I regret to inform you that I will no longer be working with the Scottville Area Recreation Department and I will truly miss working with the Kelly Miller Circus. The circus is definitely one of my favorite events? For the past two years I have been extremely satisfied with the Kelly Miller Circus and I have received a great amount of positive feedback from members of the community.

Thanks again for asking us to join in the delight of your entertainment and being a part of a great fundraiser for the Scottville Recreation Department. I wish you luck next year and I would anticipate yet another great show here in Scottville.

Jamie Healy
Scottville Recreation Director
